I. Vote Requirement

All vote requirements shall be established in accordance with CTA guidelines. Unless otherwise specified, all elections shall be decided by majority vote. Write-in votes are valid and must be counted.

1. A majority vote means more than fifty percent (50%) of the legal votes cast.
2. A plurality vote means the largest number of votes to be given any candidate or issue.
3. A two-thirds (2/3) vote means at least two thirds (2/3) of the legal votes cast.
4. For unit officers, the election will be by majority.
5. For State Council:
 - a. If a unit is a single electoral district or a multiple unit electoral district, the election for State Council Representative will be by majority vote.
 - b. If the unit is within a multiple unit electoral district, results must be sent to the Service Center Council Elections Committee to determine if a candidate has received a majority vote.
6. If a candidate does not receive a majority vote, a run-off election shall be conducted among the candidates receiving the highest number of votes. The names on the ballot will be one (1) more than the number of vacancies to be filled. When there are only two candidates for an office, the candidate receiving the higher number of legal votes cast shall be declared elected. **There shall be no provisions for write-in candidates in run-off elections.**

7. For NEA Local Delegates, the election will be by majority or plurality vote, as defined in the unit's governance documents. Results must be sent to the CTA Governance Support Department and to the Service Center Council.
8. An election for NEA Delegates may be waived and the candidate(s) declared elected if, following a period of open nominations, the number of candidates is equal to or less than the number of delegate positions to be filled. An affiliate utilizing this provision must have adopted a governing provision or election policy allowing such a practice. This election practice will not generate successor delegates unless the nomination process requires candidates for both regular and successor delegate positions.
9. For NEA State Delegates, the election will be by majority or plurality vote as defined in the unit's governance documents. Successor delegates (alternates) are ranked in the order of votes received. Results must be sent to the Service Center Council, which will forward the results to CTA.
10. For additional CTA/NEA election guidelines refer to the official CTA Elections Manual.
