### **1. If you have the Interplan PPO, do you have to fill out new paperwork to go to the Blue Cross PPO or will it automatically switch you over??**

No, any member in a CVT PPO plan using the Interplan Network who does not complete any paperwork during Open Enrollment will automatically be converted to the BlueCard Network. We all move in one big group.

Everyone currently in Interplan PPO 4B will convert on October 1, 2006 to BlueCard PPO 4B

Everyone currently in Interplan PPO 6B will convert on October 1, 2006 to BlueCard PPO 6B

Everyone currently in Interplan PPO 7B will need to choose a different plan during open enrollment to be effective October 1, 2006

Everyone currently in Interplan PPO 8C will convert on October 1, 2006 to BlueCard PPO 8C

Anyone wanting to move to the new BlueCard PPO 10D will need to complete a change form during open enrollment to be effective October 1, 2006.
