Subject: Demand to Bargain Required Use of Electronic Gradebooks

Dear Mr. Pickering-Walters:

Thank you for your letter to me of December 14, 2006, on this matter. After reading it, I did further investigation. I found that you are correct; the mandate to use electronic gradebooks at Junction Avenue Middle School is the first that has been made. The use of electronic gradebooks in other schools in District, I found, has been voluntary.

Junction Avenue Middle School, therefore, will not mandate the use, but will also make it voluntary. Therefore, there is no basis for your demand to bargain.

If you would like to discuss this further, please let me know.

Very truly yours,

Brenda Miller,
Superintendent
